SYSTEM OF TECHNICAL & VOCATIONAL EDUCATION AND TRAINING (KP-STVET)
CENTRE OF EXCELLENCE (July-2019)**

S No	Post	No. of Vacancies			Age Limit	(Qualification and Experience)
		Male	Female	Total		
1	Chief Master Trainer Women Focused (BPS-18)	0	1	1	25-45 Years	1. Phd in Engg / D.Tech in the relevent discipline / technology from a recognized university OR 2. Master Degree in Engg / M.Tech in the relevent discipline / technology or Master in Fashion Designing/Fine Arts/Textile/Interior Designing from a recognized university with three years professional experience in the relevent field OR 3. Bachelor Degree in Engg with 04 years professional experience in the relevent field or 4 Years B Tech in the relevent discipline / technology from a recognized university with five years professional experience in the relevent field. 4. Higher qualification & relevent experience will be given preference.
2	Chief Master Trainer Construction (Civil) (BPS-18)	1	0	1	25-45 Years	1. Phd in Engg / D.Tech in the relevent discipline / technology from a recognized university OR 2. Master Degree in Engg / M.Tech in the relevent discipline / technology from a recognized university with three years professional experience in the relevent field OR 3. Bachelor Degree in Engg with 04 years professional experience in the relevent field or 4 Years B Tech in the relevent discipline / technology from a recognized university with five years professional experience in the relevent field. 4. Higher qualification & relevent experience will be given preference.
3	Chief Master Trainer Energy (BPS-18)	1	0	1	25-45 Years	1. Phd in Engg / D.Tech in the relevent discipline / technology from a recognized university OR 2. MS/Master Degree in Engg / M.Tech in the Electronics/Power/Energy from a recognized university with three years professional experience in the relevent field OR 3. Bachelor Degree in Engg with 04 years professional experience in the relevent field or 4 Years B Tech in the relevent discipline / technology from a recognized university with five years professional experience in the relevent field. 4. Higher qualification & relevent experience will be given preference.
4	Chief Master Trainer Repair & Maintenance (BPS-18)	1	0	1	25-45 Years	1. Phd in Engg / D.Tech in the relevent discipline / technology from a recognized university OR 2. MS/Master Degree in Engg / M.Tech in; Mechanical/Mechatronics/Aerospace/Avionics/Electrical/Electronics/Industrial Engineering from a recognized university with three years professional experience in the relevent field OR 3. Bachelor Degree in Engg with 04 years professional experience in the relevent field or 4 Years B Tech in the relevent discipline / technology from a recognized university with five years professional experience in the relevent field. 4. Higher qualification & relevent experience will be given preference.
5	Chief Master Trainer Manufacturing (BPS-18)	1	0	1	25-45 Years	1. Phd in Engg / D.Tech in the relevent discipline / technology from a recognized university OR 2. MS/Master Degree in Engg / M.Tech in; Mechanical/Mechatronics/Aerospace/Avionics/Electrical/Electronics/Industrial Engineering/Material Sciences from a recognized university with three years professional experience in the relevent field OR 3. Bachelor Degree in Engg with 04 years professional experience in the relevent field or 4 Years B Tech in the relevent discipline / technology from a recognized university with five years professional experience in the relevent field. 4. Higher qualification & relevent experience will be given preference.
6	Chief Master Trainer Hospitality (BPS-18)	1	0	1	25-45 Years	1. Phd in Engg / D.Tech in the relevent discipline / technology from a recognized university OR 2. MS/ Master Degree in Hospitality & Tourism or Hotel Management from a recognized university with three years professional experience OR 3. Bachelor Degree in Engg with 04 years professional experience in the relevent field or 4 Years B Tech in the relevent discipline / technology from a recognized university with five years professional experience in the relevent field. 4. Higher qualification & relevent experience will be given preference.
7	Vocational Councelling & Job Placement (VC & JP) Officer (BPS-17)	1	0	1	22-30 Years	1. Master Degree in HRM/Marketing/IR or MPA or equivalent qualification . 2. Higher qualification & relevent experience will be given preference.
8	National skill Information system & Research and Development (NSIS/R&D) Officer (BPS-17)	1	0	1	22-30 Years	Bachelor's Degree in Engineering or 4 years B.Tech or equivalent qualification or MSC in the relevent discipline/ technology, from a recognized University. Higher qualification & relevent experience will be given preference.
9	Monitoring and Evaluation (BPS-17)	1	0	1	22-30 Years	Master Degree or equivalent qualification from HEC recognized University in: a. Economics; or b. Business Administration; or c. Public Administration; or d. Sociology ; e. Social Work or Bachelor Degree in Engineering. Higher qualification & relevent experience will be given preference.
10	Master Trainer Electrical (BPS-17)	1	0	1	22-35 Years	Bachelor's Degree in Engineering or 4 years B.Tech or equivalent qualification in the relevent discipline/ technology, from a recognized University. Higher qualification & relevent experience will be given preference.
11	Master Trainer Masonry Work (BPS-17)	1	0	1	22-35 Years	Bachelor's Degree in Engineering or 4 years B.Tech or equivalent qualification in the relevent discipline/ technology, from a recognized University. Higher qualification & relevent experience will be given preference.
12	Master Trainer Sanitation & Plumbing (BPS-17)	1	0	1	22-35 Years	Bachelor's Degree in Engineering or 4 years B.Tech or equivalent qualification in the relevent discipline/ technology, from a recognized University.
13	Master Trainer Civil (BPS-17)	1	0	1	22-35 Years	Bachelor's Degree in Engineering or 4 years B.Tech or equivalent qualification in the relevent discipline/ technology, from a recognized University. Higher qualification & relevent experience will be given preference.
14	Master Trainer Carpentry (BPS-17)	1	0	1	22-35 Years	Master Degree with one year Diploma in Carpentry/Wood Work from recognized institute or equivalent qualification or Bachelor's Degree in Engineering or 4 years B.Tech or equivalent qualification in the relevent discipline/ technology, from a recognized University. Qualification may be reduce in case of high performance in practical Test. or Highly skilled candidate with computer & IT skill & good communication skill will be given preference which will be specially judged through practical test. Higher qualification & relevent experience will be given preference.

**REQUIREMENT OF STAFF : KHYBER PAKHTUNKHWA

15	Master Trainer Auto Mobile (BPS-17)	1	0	1	22-35 Years	Bachelor's Degree in Engineering or 4 years B.Tech or equivalent qualification in the Automobile/Mechanical/Mechatronics from a recognized University.Higher qualification & relevent experience will be given preference.
16	Master Trainer Glass Manufactuirng (BPS-17)	1	0	1	22-35 Years	Bachelor's Degree in Engineering or 4 years B.Tech or equivalent qualification in the relevant discipline/ technology, from a recognized University.Higher qualification & relevent experience will be given preference.
17	Master Trainer Machinist (BPS-17)	1	0	1	22-35 Years	Bachelor's Degree in Engineering or 4 years B.Tech or equivalent qualification in the relevant discipline/ technology, from a recognized University.Higher qualification & relevent experience will be given preference.
18	Master Trainer Sheet Metal (BPS-17)	1	0	1	22-35 Years	Bachelor's Degree in Engineering or 4 years B.Tech or equivalent qualification in Material Science/Mechanical/Aerospace from a recognized University.Higher qualification & relevent experience will be given preference.
19	Master Trainer Hospitality (BPS-17)	1	0	1	22-35 Years	Master degree in Hospitality & Tourism/Hotel Management or Bachelor's Degree in Engineering or 4 years B.Tech or equivalent qualification in the relevant discipline/ technology, from a recognized University.Higher qualification & relevent experience will be given preference.
20	Master Trainer Soft Skill Management (BPS-17)	1	0	1	22-35 Years	Master Degree in Mass Communication/Business Administration/M.Ed/ Computer Science/Sociology/Psychology/IR or Bachelor's Degree in Engineering or 4 years B.Tech or equivalent qualification in the relevant discipline/ technology, from a recognized University.Higher qualification & relevent experience will be given preference.
21	Master Trainer Information & Communication Technology (BPS-17)	1	0	1	22-35 Years	Bachelor's Degree in Engineering or 4 years B.Tech or equivalent qualification in the relevant discipline/ technology, from a recognized University.Higher qualification & relevent experience will be given preference.
22	Master Trainer Lead Assessor (BPS-17)	1	0	1	22-35 Years	Master Degree in Computer Science, MSC Physics/Chemistry or Bachelor's Degree in Engineering or 4 years B.Tech or equivalent qualification in the related discipline/ technology, from a recognized University.
23	Master Trainer Beauty Care (BPS-17)	0	1	1	22-35 Years	Master Degree with one year Beautician certificate from a recognized institute or equivalent qualification in the relevant discipline/technology from a recognized University. Bachelor's Degree in Engineering or 4 years B.Tech or equivalent qualification in the relevant discipline/ technology, from a recognized University. or Highly skilled candidate with computer & IT skill & good communication skill will be given preference which will be specially judged through practical test.Higher qualification & relevent experience will be given preference.
24	Master Trainer Fashion Design (BPS-17)	1	0	1	22-35 Years	Master in Textile and Fashion Design or Bachelor's Degree in Fine Arts/Textile & Fashion Design or Bachelor's Degree in Engineering or 4 years B.Tech or equivalent qualification in the relevant discipline/ technology, from a recognized University.Higher qualification & relevent experience will be given preference.or Highly skilled candidate with computer & IT skill & good communication skill will be given preference which will be specially judgedd through practical test.
25	Master Trainer Gem Processing (BPS-17)	1	0	1	22-35 Years	Master Degree in Geology/Earth Science/Gemology or Bachelor's Degree in Engineering or 4 years B.Tech or equivalent qualification in the related discipline/ technology, from a recognized University. Experience in Gem processing will be given preference.Higher qualification & relevent experience will be given preference.
26	Master Trainer Allied Helath Sciences (BPS-17)	1	0	1	22-35 Years	Master degree in Bio Technology/ Neutrcian or Bachelor's Degree in Engineering or 4 years B.Tech or equivalent qualification in the relevant discipline/ technology, from a recognized University.Higher qualification & relevent experience will be given preference.
27	Master Trainer Solar (BPS-17)	1	0	1	22-35 Years	Bachelor's Degree in Engineering in Electrical/Electronics/Power/Avionics/Mechatronics or 4 years B.Tech or equivalent qualification in the relevant discipline/ technology, from a recognized University.Higher qualification & relevent experience will be given preference.
28	Master Trainer Micro Hydro Power (BPS-17)	1	0	1	22-35 Years	B.E in Electrical/Electronics/Power/Avionics/Mechatronics or Bachelor's Degree in Engineering or 4 years B.Tech or equivalent qualification in Electrical/Electronics/Power/Avionics/Mechatronics from a recognized University.Higher qualification & relevent experience will be given preference.
29	Master Trainer HVAC (BPS-17)	1	0	1	22-35 Years	Bachelor's Degree in Engineering or 4 years B.Tech or equivalent qualification in Mechanical/Mechatronics from a recognized University.or equivalent qualification in the relevant discipline/ technology, from a recognized University.Higher qualification & relevent experience will be given preference.
30	Master Trainer Industrial Electrician (BPS-17)	1	0	1	22-35 Years	B.E in Electrical/Electronics/Power/Avionics/Mechatronicsor 4 years B.Tech or equivalent qualification in the relevant discipline/ technology, from a recognized University.Higher qualification & relevent experience will be given preference.

S No	Post	No. of Vacancies			Age Limit	(Qualification and Experience)
		Male	Female	Total		
31	Master Trainer Aircraft Maintenance (BPS-17)	1	0	1	22-35 Years	B-1 valid Aircraft Maintenance Engineering ANO-66 basic license issued by PCAA and proficiency certificate and train the trainer course from approved PCAA training organization or B1 license with Type Rating. Or B-2 valid Aircraft Maintenance Engineering ANO-66 basic license issued by PCAA and proficiency certificate and train the trainer course from approved PCAA training organization or B-2 License with Type Rating. Experience of the Aircraft maintenance will be given preference.
32	Master Trainer Welding (BPS-17)	1	0	1	22-35 Years	Bachelor's Degree in Engineering or 4 years B.Tech or equivalent qualification in the relevant discipline/ technology, from a recognized University.or Highly skilled candidate with computer & IT skill & good communication skill will be given preference which will be specially judged through practical test.Higher qualification & relevant experience will be given preference.
33	Master Trainer Meat Processing (BPS-17)	1	0	1	22-35 Years	Master Degree in Science Subject or Bachelor's Degree in Engineering or 4 years B.Tech or equivalent qualification in the relevant discipline/ technology, from a recognized University.Higher qualification & relevant experience will be given preference.
34	Master Trainer Food Technology (BPS-17)	1	0	1	22-35 Years	BS in Food Technology/Nutrition or Bachelor's Degree in Engineering or 4 years B.Tech or equivalent qualification in the relevant discipline/ technology, from a recognized University.Higher qualification & relevant experience will be given preference.
35	Trainer Electrical (BPS-15)	1	0	1	18-30 Years	Diploma of Associate Engineer in the relevant Technology from a recognized institute.or Highly skilled candidate with computer & IT skill & good communication skill will be given preference which will be specially judged through practical test.Higher qualification & relevant experience will be given preference.
36	Trainer Steel Fixer (BPS-15)	1	0	1	18-30 Years	Diploma of Associate Engineer in the relevant Technology from a recognized institute. Highly skilled steel fixer with Five year experience.or Highly skilled candidate with computer & IT skill & good communication skill will be given preference which will be specially judged through practical test.Higher qualification & relevant experience will be given preference.
37	Trainer Masonry Work (BPS-15)	1	0	1	18-30 Years	Diploma of Associate Engineer in the Civil/Mechanical from a recognized institute. Highly skilled Mason with Five year experience .Higher qualification & relevant experience will be given preference.
38	Trainer Scaffolding (BPS-15)	1	0	1	18-30 Years	Diploma of Associate Engineer in the Civil/Mechanical from a recognized institute. Highly skilled Scaffolder with Five year experience .or Highly skilled candidate with computer & IT skill & good communication skill will be given preference which will be specially judged through practical test.Higher qualification & relevant experience will be given preference.
39	Trainer Sanitation & Plumbing (BPS-15)	1	0	1	18-30 Years	Diploma of Associate Engineer in the Civil/Mechanical from a recognized institute. Highly skilled in Sanitation & Plumbing with Five year experience .or Highly skilled candidate with computer & IT skill & good communication skill will be given preference which will be specially judged through practical test.Higher qualification & relevant experience will be given preference.
40	Trainer Survey (BPS-15)	1	0	1	18-30 Years	Diploma of Associate Engineer in the relevant Technology from a recognized institute.or Highly skilled candidate with computer & IT skill & good communication skill will be given preference which will be specially judged through practical test.Higher qualification & relevant experience will be given preference.
41	Trainer Leveling (BPS-15)	1	0	1	18-30 Years	Diploma of Associate Engineer in the relevant Technology from a recognized institute.or Highly skilled candidate with computer & IT skill & good communication skill will be given preference which will be specially judged through practical test.Higher qualification & relevant experience will be given preference.
42	Trainer Material Testing (BPS-15)	1	0	1	18-30 Years	Diploma of Associate Engineer in the relevant Technology from a recognized institute. or Highly skilled candidate with computer & IT skill & good communication skill will be given preference which will be specially judged through practical test.Higher qualification & relevant experience will be given preference.
43	Trainer Carpentry (BPS-15)	1	0	1	18-30 Years	Diploma of Associate Engineer in the relevant Technology from a recognized institute.or Highly skilled candidate with computer & IT skill & good communication skill will be given preference which will be specially judged through practical test.Higher qualification & relevant experience will be given preference.
44	Trainer Auto Mechanic (BPS-15)	1	0	1	18-30 Years	Diploma of Associate Engineer in the relevant Technology from a recognized institute. or Highly skilled candidate with computer & IT skill & good communication skill will be given preference which will be specially judged through practical test.Higher qualification & relevant experience will be given preference.
45	Trainer Auto Electrician (BPS-15)	1	0	1	18-30 Years	Diploma of Associate Engineer in the relevant Technology from a recognized institute or Highly skilled candidate with computer & IT skill & good communication skill will be given preference which will be specially judged through practical test.Higher qualification & relevant experience will be given preference.
46	Trainer Heavy Vehical Mechanic (BPS-15)	1	0	1	18-30 Years	Diploma of Associate Engineer in the relevant Technology from a recognized institute or Highly skilled candidate with computer & IT skill & good communication skill will be given preference which will be specially judged through practical test.Higher qualification & relevant experience will be given preference.
47	Trainer Glass Manufacturing (BPS-15)	1	0	1	18-30 Years	Diploma of Associate Engineer in the relevant Technology from a recognized institute. or Highly skilled candidate with computer & IT skill & good communication skill will be given preference which will be specially judged through practical test.Higher qualification & relevant experience will be given preference.
48	Trainer Machinist (BPS-15)	1	0	1	18-30 Years	Diploma of Associate Engineer in the relevant Technology from a recognized institute or Highly skilled candidate with computer & IT skill & good communication skill will be given preference which will be specially judged through practical test.Higher qualification & relevant experience will be given preference.
49	Trainer Shapping & Milling CNC (BPS-15)	1	0	1	18-30 Years	Diploma of Associate Engineer in the relevant Technology from a recognized institute. or Highly skilled candidate with computer & IT skill & good communication skill will be given preference which will be specially judged through practical test. Higher Education in relevant field will be given preference.
